My Clients Achieve These Results

Let's Go Deeper & Discover your SuperPower

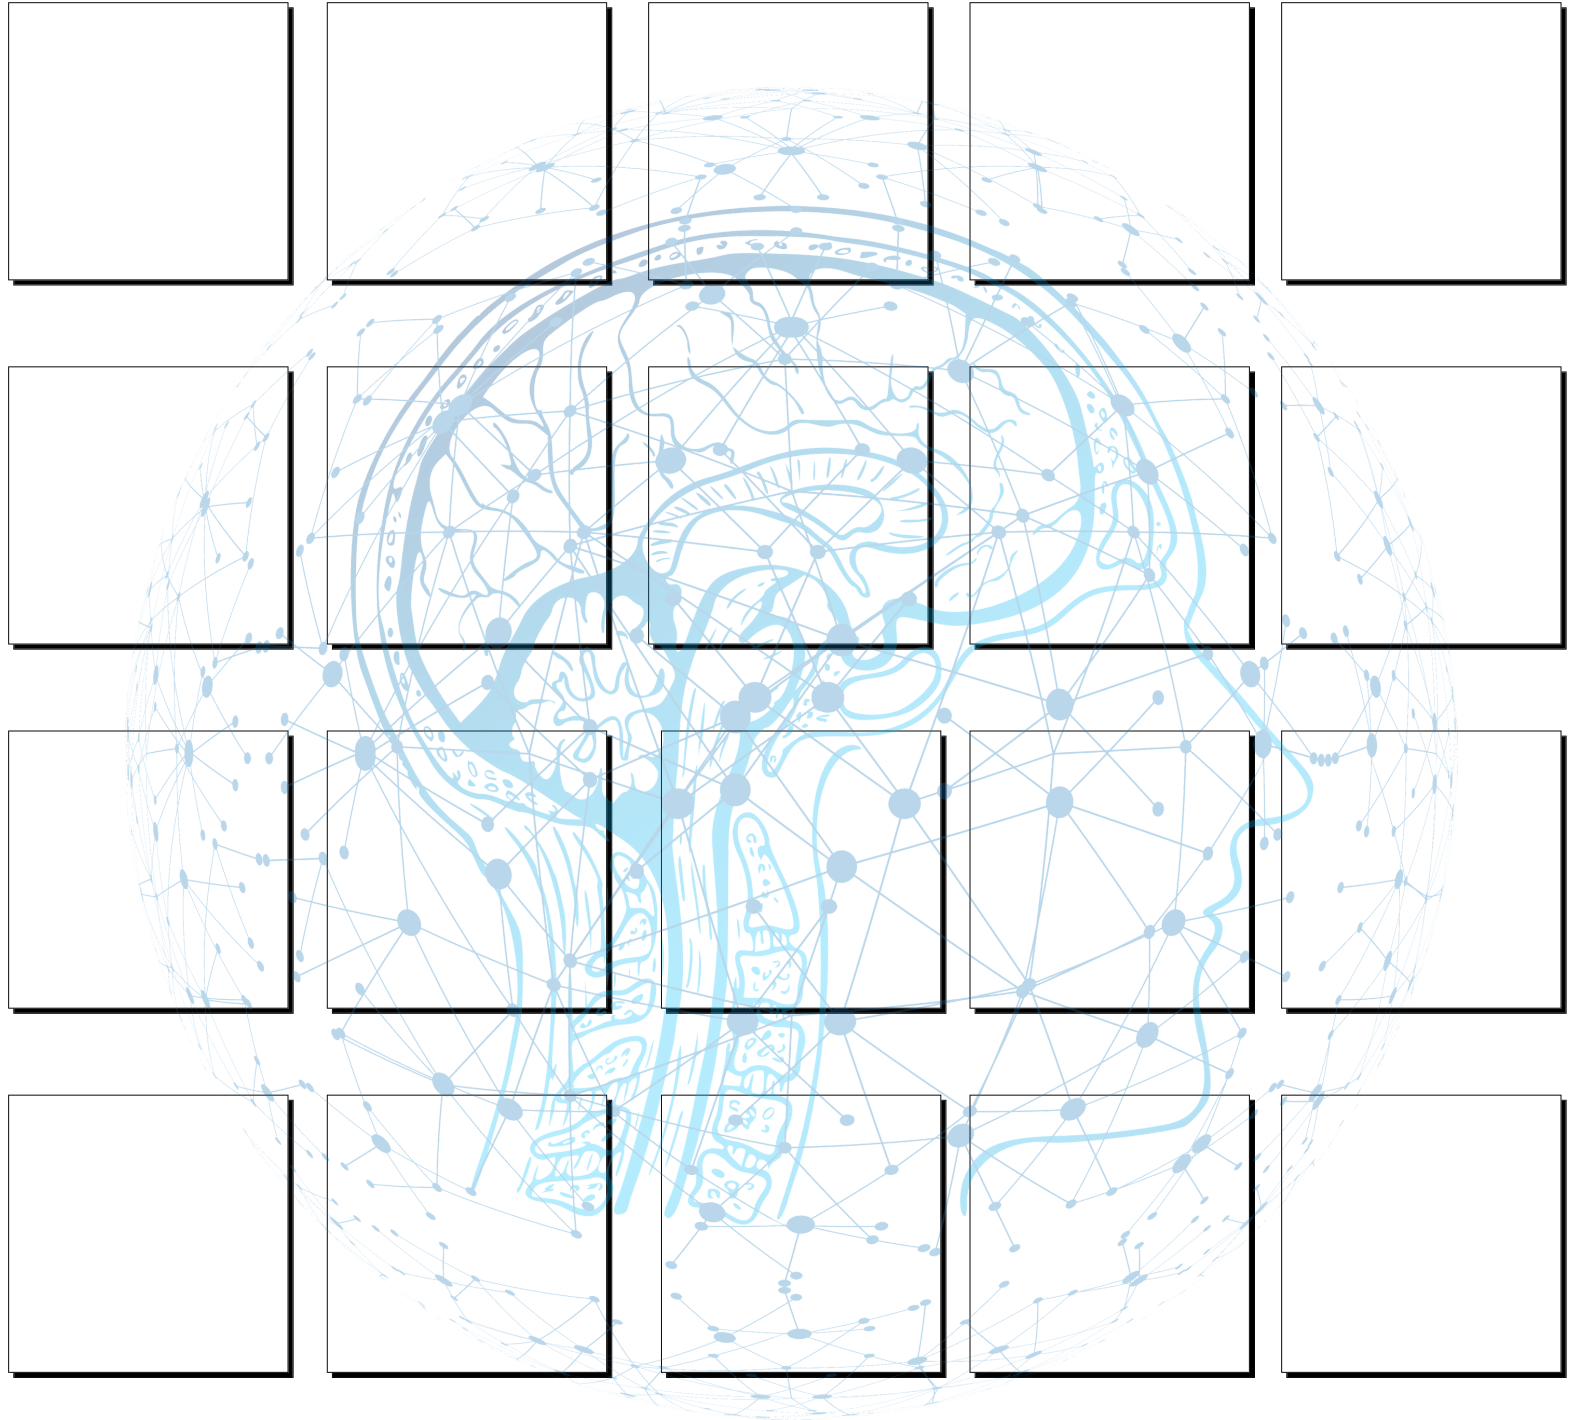

List 3 things that make you stand out from your competition.

List 2 things in your business that make you the happiest and are things you would never outsource.

List 3 specific skills you've developed that make you successful at what you do.

Write down 2-3 stories that were turning points in your life. your "epiphany" moments.

To Go from A to B My Clients will Have to.....

A grid of 20 empty rectangular boxes arranged in 4 rows and 5 columns, overlaid on a blue network diagram of a globe. The network diagram consists of a globe with a complex web of blue lines and dots representing connections between various points on the globe. The boxes are intended for listing major steps required to achieve the desired result of a product.

You can use post-its, trello, mind map software, whatever works for you!

List all the major steps required to achieve the desired result of your product!
